INFO: Your student loan forbearance to postpone your payments is approved and has been applied to your student loans.

Account: E820929969

Dear TAYLOR,

Good news! The forbearance you requested has been approved and applied to group G in the account listed above.

During your forbearance, you'll be responsible for the interest that accrues on your loans. If you do not pay the accrued interest before your forbearance ends, it will be added to your outstanding principal balance (this is called capitalization), which will increase the overall amount you'll have to pay on your loan. To see how interest capitalization can affect your balance and the total amount of interest paid over the life of the loan, visit [Nelnet.com/Interest\\_Capitalization](http://Nelnet.com/Interest_Capitalization).

#### YOUR FORBEARANCE DETAILS

Start date: 05/14/17

End date: 07/14/17

Next payment due: 05/14/18

Estimated interest to accrue: \$1,068.82

Capitalization date: 07/15/17

Automatic monthly payments are not deducted during forbearance. If your account is set up for auto debit, your auto debit payments will resume with the first payment due after your forbearance ends. Additionally, if you're receiving the .25% auto debit incentive, it will become inactive during the forbearance period and will return to an active status once your forbearance ends.

To save money in the long run, you can make payments anytime during your forbearance by logging in to [Nelnet.com](http://Nelnet.com) to make a one-time payment or pay via our mobile app (Loan Assist). You can also cancel this forbearance and resume your payments at any time by calling us at 888.486.4722.

We send your monthly statement about three weeks before your next payment is due, and you can always find your payment due dates and loan details when you log in to [Nelnet.com](http://Nelnet.com).

Just know that we're here for you when you need us. If you have any questions, please visit [Nelnet.com](http://Nelnet.com) or call us at 888.486.4722.

Sincerely,

Your Nelnet Customer Service Team
